

No. Lux-Cert08B22-001

Patent Guarantee Certification

The N-series LED products are manufactured under strict strategic agreement between Luxpia Co., Ltd. & Nichia Corporation.

The N-series LED products are produced with genuine Nichia LED chips & YAG phosphors which do not infringe any of the intellectual property rights and is duly protected by Nichia Corporation.

Luxpia will indemnify for any damage/loss that occurs to the user(buyer) using our N-series products, against any lawful action taken from an other company that claims infringement of intellectual property rights

Warning: Irregular sales activity without previous permission (such as trademark infringement) may result this guarantee certificate to lose effect immediately.

Luxpia Co., Ltd.

President Samuel Sung

No. Lux-Cert-007
